## **DETAILED ACTION**

### ***Drawings***

New corrected drawings in compliance with 37 CFR 1.121(d) are required in this application because the drawings are objected to by the Draftsperson, as indicated in the attached 'Notice of Draftsperson's Patent Drawing Review'. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

### ***Allowable Subject Matter***

Claims 23 and 24 are allowed. The Office notes the Board's decision on May 18, 2005 which found that the junior party Eric Stanton and George Jackowski is not entitled to a patent containing claims 1-5 of patent 6,461,828, which correspond to count 1.
